### August Newsletter Late:

This month's newsletter contains a variety of many different items. Some material comes from information your editor received at the recent CNA convention in Moncton, New Brunswick and the rest from material sent to me over the past number of months. New woods issued at the convention will mostly be shown in next month's newsletter but I have included here a write up on the CAWMC meeting held at the show. Your newsletter this month was placed in the mail one week later than normal as I arrived home late from the convention and a brief tour through the Maritimes.

### Elected CAWMC Board Of Governors for 1997 to 1999:

The result of the mail-in ballot election for our Board of Governors (six to be elected) is: Norm Belsten, Bob Brown, Russell Brown, Wayne Gillcash, Dave Gillespie and Don Robb. All other positions on the executive were acclaimed. (See page two - bottom left corner)

**OLD GOVERNMENT HOUSE** wood available:  
-information sent in by Glenn Rodger

This " Old Government House " wood is available from **Glenn Rodger** 165 Phillips Dr. Fredericton, New Brunswick, Can. E3C 1E8 for \$1.00 plus a SASE. Proceeds go to assist in the renovation efforts of this historic building.

“Old Government House” was the seat of the lieutenant-governor in New Brunswick and replaced an earlier building destroyed by fire in 1825. Through its doors have passed the politicians and administrators, the entrepreneurs and developers, the educators and innovators who have shaped the province of New Brunswick. It was abolished as the official residence in 1894. Since then, it has seen use as a temporary school for the deaf, a battalion station as well as a military hospital in the First World War, and finally headquarters for the R.C.M.P. “J” Division. Through all this, the building has gracefully resisted the effects of time.

## FREE WOOD OF THE MONTH

At the recent Canadian Numismatic Association convention in Moncton, New Brunswick, I was fortunate enough to receive several donations of free woods. This month's wood is one of those and comes courtesy of two of our CAWMC members, Aloma and Richard Blaylock of North Ogden, Utah, USA. Aloma and Richard both attended this convention and issued two woods for the show. This free wood is green on both sides. Thank you Aloma and Richard.

CANADIAN NUMISMATIC ASSOCIATION CONVENTION

Your editor has just returned home from a very successful CNA convention in Moncton, New Brunswick. Credit for its success must certainly go to the host Moncton Coin Club who put on a well planned and organized show.

For those of us who collect wooden money, there was plenty of action. This collector not only got some twenty-three new wood issues handed out at this show, but also came home with many dozens of more woods to add to my collection. It, as well was another opportunity for me to meet new people and to be able to now put a face to names of more members with whom I correspond each month.

CAWMC held its regular breakfast meeting at the convention on Sun. July 27th, with our president Lou Vesh presiding. The newly elected Board of Governors for 1997 to 1999 was announced. They are: Norm Belsten, Bob Brown, Russell Brown, Wayne Gillcash, Dave Gillespie, and Don Robb.

Treasurer, Al Munro submitted a written report, which is printed on page four in this newsletter. Al also talked about the possibility of purchasing postage stamps at a reduced rate and also the need to get more membership cards printed.

The 1997 Literary Award was presented to our president, Lou Vesh who is a regular, reliable contributor to this 'Timber Talk' newsletter. Lou was presented with a suitably inscribed, framed wooden flat. Winners for the past two years also received their framed inscribed wooden flats.

CAWMC member Glenn Rodger spoke briefly about a wooden token recently issued to help promote a renovation project in Fredericton, New Brunswick. (more information regarding this is found on page two in this newsletter)

Mr Daniel Gosling, a member of next years CNA convention host club, the Edmonton Coin Club, spoke to us and passed around a wood struck to promote next years CNA convention in Edmonton, Alberta.

Norm Belsten talked about the updating of information on the CAWMC page on the internet and also gave information regarding his newly issued, updated, wood listing supplement. (see page six for more information)

President Lou unveiled the next two birds in his series 'Birds Of My Garden'. They are the humming bird and the red-winged black bird. These are available for purchase from Lou at \$3.00 a pair. (see June 1997 Timber Talk page three) All proceeds from the sale of these bird woods go directly to CAWMC. In that regard, Lou presented to our treasurer, a cheque for \$220.00, which are the proceeds of recent past sales of these woods. As CAWMC members, we should all be truly thankful to Lou that this "labour of love" of his, has netted our CAWMC treasury many, many dollars over the past five years. President Lou also showed off the beautiful clock made by himself, which incorporated all the birds to date as well as next years (1998). The clock was auctioned and \$55.00 more was donated to the treasury. Many thanks, Lou. *(continued on page four)*

*(continued from page three)*

A further thirty lot auction of good material then took place to end the meeting. From the total auction, \$102.75 was donated to CAWMC.

Members attending this meeting came from all over Canada and the U.S.A. from as far west as British Columbia and California. Next years meeting will be held in Edmonton, Alberta on Sunday August 2, 1998.

## ATLANTIC PROVINCES WOODEN MONEY

John Maclean of Dartmouth, Nova Scotia has sent in a nine wood listing. The listing is shown on page six of this issue. The nine woods listed are shown here.

The cost of the nine issues is \$3.50 plus a financial donation to the APNA Permanent Collection. (Editor's Note: This is a great bargain as the postage and special envelope is almost \$1.50 alone. Paper money for your donation is less expensive to mail than loonies or toonies.)

As clarification, you should know that the Atlantic Canadian Coin Collectors' Rally organizes and promotes the APNA spring show which is hosted by the Halifax Coin Club.

Payment should be made to John OS Maclean 7 Horizon Court Apt. 308 Dartmouth, Nova Scotia, Canada B3A 4R2.
